## Frucosol F-10

The smallest of all our juicers, with the Frucosol F-10, you can enjoy tasteful citrus juice in seconds.

Made completely from stainless steel, its mini size means it can be placed just about anywhere!

Dishwasher safe, this juicer is ideal for your shop *and* home, and can provide good profit, polished image and save you time.

Dimensions: H 40.6cm - W 20cm

**\*Free Delivery**

**Our Price £420**

~~RRP: £520~~

Save £100

## Frucosol F-Compact

The F-Compact is our new automatic juicer, being smaller and more compact than its predecessors.

This nifty machine requires minimal counter space, as it combines versatility, functionality and a design that makes it suitable for any type of business. The front cover allows you to see the squeezing process, something very interesting for your customers.

Made from stainless steel, using the highest quality materials, thus ensuring it has a long-life, along with proper cleaning and maintenance.

Dimensions: H 72cm - W 27.5cm - D 36.5cm

**\*Free Delivery**

**Our Price £1,345**

~~RRP: £1,570~~

Save £225

## Frucosol F-50

The F-50 is an automatic juicer of manual feeding, offering the freshest squeezed juice with any additives.

It has an attractive design and is made from stainless steel, which makes it fit in any kind of ambiance.

There isn't a smaller, lighter machine that equalises its technical features in the market at the moment. This machine will provide your establishment with profits, whilst saving you time.

It's front opening allows you to see it at work, and makes for easy cleaning.

Dimensions: H 73cm - W 47cm - D 36cm

**\*Free Delivery**

**Our Price £1,715**

~~RRP: £2,000~~

Save £285

## Frucosol F-50A

Completely automatic, easy to use and its working system efficiently disposes of the peel, allowing you to get only the freshest juice with any bitter remains.

This model has all the characteristics of the F50, with the added benefit of an automatic feeder, with a storage capacity for 12kg.

Made from stainless steel, making it easy to keep clean.

Dimensions: H 78cm - W 47cm - D 59cm

**\*Free Delivery**

**Our Price £2,245**

~~RRP: £2,620~~

Save £375

## Frucosol F-50C

The Frucosol F-50C, thanks to its digital counter, can control its production according to the quantity of juice required.

The squeezing process is done under controlled pressure, so the peel and pith aren't mixed in with the squeezed juice.

A strong, durable, versatile and user-friendly machine, ideal for all outlets.

Dimensions: H 73.5cm - W 46cm - D 36.5cm

**\*Free Delivery**

**Our Price £1,795**

~~RRP: £2,095~~

Save £300

## Frucosol F-50AC

The Frucosol F-50AC, thanks to its digital counter, can control its production according to the quantity of juice required.

It's fully automatic and so requires little manual input, thus making it one of our most quick to use machines.

The automatic feeder basket revolves, so a constant supply of fruit is always being fed through the machine. The basket is easy to dismount and has a capacity of around 12kg of oranges.

Dimensions: H 77.5cm - W 46cm - D 55cm

**\*Free Delivery**

**Our Price £2,345**

~~RRP: £2,725~~

Save £380

## Frucosol Self-Service

With its one-press tap, the Frucosol Self-Service allows your customers to help themselves to juice in seconds, in the most comfortable and easiest way, allowing your staff to continue their other duties.

As with all Frucosol juicers, the Self-Service is made of bright high-quality stainless steel, enabling easy cleaning.

Its stainless steel cabinet houses a glass rack, that can be positioned where required, so that you can ensure that a fresh supply of cups are always to hand.

Dimensions: H 163cm - W 58cm - D 70cm

**\*Free Delivery**

**Our Price £3,595**

~~RRP: £4,195~~

Save £600

## Frucosol Freezer

With all the functions of the Self-Service, the Freezer model also houses a cooler, so that you can have cool, fresh juice immediately.

With temperature control and waver tank, this machine also has a stainless steel compartment for storing fruit waste, such as peel, pips or pulp.

Dimensions: H 178cm - W 58cm - D 70cm

**\*Free Delivery**

**Our Price £4,050**

~~RRP: £4,720~~

Save £725

## Zumex Minex

The Zumex Minex is the smallest and most compact Zumex Juicer. It's equipped with an orange counter, anti-drip system, integrated 750cc pitcher and display. It squeezes 13 oranges per minute and has a feed capacity of 6 oranges.

Available in metallic silver, ruby red, green, blue, orange, white, black, grey, metallic bronze, metallic graphite, light blue and light green finishes – shown here in ruby red.

Dimensions: H 72cm - W 36cm - D 36.5cm

**\*Free Delivery**

**Our Price £1,945**

~~RRP: £2,100~~

Save £155

## Zumex Essential Basic

The Zumex Essential Basic is probably the most reliable machine on the market with a superb price. Ideal for most locations – cafés, juice bars, even hotels! This machine can squeeze 14 oranges per minute and has a 6-8 fruit feeder capacity.

Dimensions: H 88cm - W 47cm - D 50cm

**\*Free Delivery**

**Our Price £2,395**

~~RRP: £2,600~~

Save £205

## Zumex Essential Pro

The Zumex Essential Pro is fully programmable to suit your needs – you can even programme how many oranges are required for squeezing. Its self-service tap means that the machine starts simply by pressing the tap.

It has a touch control button panel with an interface that shows the user the status of the machine at all times, and with a menu with many options that enable total control of the service and is programmable in 23 languages.

With a new drip-free tap system, its base is removable for easy dishwasher cleaning.

Dimensions: H 74cm - W 47cm - D 50cm

Available in Orange, Silver (pictured) and Graphite

**\*Free Delivery**

**Our Price £2,645**
